Worship leaders are adrift in a sea of worship resources, but, incredibly, no single book provides a simple introduction to worship and worship leading. Essential Worship is a concise, easy-to-read primer on the basics of worship theology and practice. Each concept is introduced clearly and concisely. Whether one is a beginner or an experienced worship leader, readers from all traditions will find in this resource a solid foundation for future success. It is particularly well-suited for the first-time worship or praise band leader, as well as for pastors who want to be more intentional about the music in their services.
