The True Origin. The Book of Mormon. CHARLES A. SHOOK Author of CUMORAH REVISITED, THE TRUE ORIGIN OF MORMON POLYGAMY. Most adherents to the Latter Day Saint movement view the book as a work of inspired scripture. The most common belief of adherents is that promoted by Joseph Smith, who said he translated ancient golden plates inscribed by prophets. Smith claimed the angel Moroni, a prophet in the Book of Mormon, directed him in the 1820s to a hill near his home in Palmyra, New York where the plates were buried. Besides Smith himself, there were at least fifteen men who claimed to have seen the plates as well. Smith himself, there were at least fifteen men who claimed to have seen the plates as well.
