The book’s final pages teach us that just one small seed, or one small child, can make a difference. Book/Novel Author: Dr. Seuss. Book/Novel Title: The Lorax. Read online. Full Screen. Summary. Celebrate Earth Day with Dr. Seuss and the Lorax in this classic picture book about protecting the environment! I am the Lorax. I speak for the trees. Dr. Seuss’s beloved story teaches kids to speak up and stand up for those who can’t. Finally the Lorax extricates himself from the scorched earth (by the seat of his own furry pants), leaving only a rock engraved “UNLESS.” Thus, with his own colorful version of a compelling morality play, Dr. Seuss teaches readers not to fool with Mother Nature. The books he wrote and illustrated under the name Dr. Seuss (and others that he wrote but did not illustrate, including some under the pseudonyms Theo. LeSieg and Rosetta Stone) have been translated into forty-five languages.
