Solution for: Early Childhood Education. Answer Table. 1. D. ‘Education To Be More’ was published last August. It was the report of the New Zealand Government's Early Childhood Care and Education Working Group. The report argued for enhanced equity of access and better funding for childcare and early childhood education institutions.

Unquestionably, that's a real need; but since parents don't normally send children to pre-schools until the age of three, are we missing out on the most important years of all? B. A 13 year study of early childhood development at Harvard University has shown that, by the age of three, most children have...
