Nelson has acted in over 30 films, co-authored several books, and has been involved in activism for the use of biofuels and the legalization of marijuana. Born during the Great Depression, and raised by his grandparents, Nelson wrote his first song at age seven and joined his first band at ten. During high school, he toured locally with the Bohemian Polka as their lead singer and guitar player. After mid-chart hits in the late 1960s and the early 1970s, Nelson retired in 1972 and moved to Austin, Texas. The rise of the popularity of hippie music in Austin motivated Nelson to return from retirement, performing frequently at the Armadillo World Headquarters. In 1973, after signing with Atlantic Records, Nelson turned to outlaw country, including albums such as Shotgun Willie and Phases and Stages. Nelson's Complete Book of has been added to your Cart. Add a gift receipt with prices hidden. Buy used. Has everything we were looking for. Arrived on time, in great condition. Easy to read pages and pictures. It follows the story line of the bible, super useful. More than what i expected. Nelson's Picture bible. I bought this for my grandchildren. They love the color pictures that illustrate each story. The stories are scripturally accurate and well written, holding the interest of even small children well. I used this same book with my children as they were growing up. They still recall their favorites which were read over and over by their request. Their favorite was Balaam's talking donkey. Rose Book of Bible Charts, Maps, and Time Lines coll.
