Reading books can have a greater influence on our personality than anything else in life. Reading from an early age can influence children to be patient, understanding, and more intelligent. In doing so, we develop an intimate bond with the book that satisfies our social need as well. Reading brings you closer to the ordinary and acquaints you to something extraordinary. Perfect bliss is more like it. Social influence comprises the ways in which individuals change their behavior to meet the demands of a social environment. It takes many forms and can be seen in conformity, socialization, peer pressure, obedience, leadership, persuasion, sales, and marketing. Typically social influence results from a specific action, command, or request, but people also alter their attitudes and behaviors in response to what they perceive others might do or think.
