Firestorm! book. Twelve-year-old Poppy is an orphan living in a bad neighborhood in Chicago, pick pocketing so that she has a place to sleep at night. Justin's world couldn't be more different—his father owns a jewelry store—but when he and Poppy meet, they become fast friends, thanks in part to Justin's sweet pet goat. Poppy and Justin must rely on their instincts if they are going to survive the catastrophe. Will anything be left when the fire finally burns out?

Firestorm is a science fiction novel by David Sherman and Dan Cragg. It is set in the 25th Century in Sherman and Cragg's StarFist saga. "Firestorm more concludes the Ravenette campaign for the 34th fist and the Force Recon (introduced in Backshot, and expands in Recoil, two books of a three book sub series). Publishers Weekly in their review said "readers looking for accounts of futuristic combat that depict realistically the psychology of men in battle need look no further." Roland Green reviewing "Firestorm reads at times like an exhilarating novel but it is neither flippant nor alarmist...The book is a clear-eyed vision, expertly and compellingly told, of what's ahead as the climate warms...a fascinating page-turner." Edmonton Journal. "An essential and crackling good read on the new reality of megafires...a new kind of prophetic non-fiction...Firestorm belongs in
