Read the Fodor's reviews, or post your own. When it comes to the Grand Canyon, there are statistics, and there are sensations. While the former are impressive—the canyon measures an average width of 10 miles, length of 277 river miles, and depth of 1 mile—they don't truly prepare you for that first impression. Seeing the canyon for the first time is an astounding experience, one that's hard to wrap your head around. The lowest-priced brand-new, unused, unopened, undamaged item in its original packaging (where packaging is applicable). Packaging should be the same as what is found in a retail store, unless the item is handmade or was packaged by the manufacturer in non-retail packaging, such as an unprinted box or plastic bag. NEW COLOR FEATURE: An 8-page color feature at the start of the guide contains a brief introduction and spectacular photos that capture the ultimate experiences and attractions of Arizona and the Grand Canyon.
