Tour guide: Good afternoon, ladies and gentlemen and welcome to this fantastic tour of London by bus. My name is Greg and I'm your guide this afternoon on our tour of London. As you can see, we're on an open-top bus, so you can see all the attractions from your seat and you don't need to walk anywhere. And please don't worry about the rain, it's sure to stop soon. And please ask any questions at any time. It has four dials and five large bells. Many people think that this is the name of the clock tower in London, but in fact this is the name of the 13-ton bell that is inside it. The V&A's Theatre and Performance collections chart the fascinating history of theatre in Britain from the middle ages to today. From early dramatic forms, such as mystery plays and court masques, to the alternative and 'in yer face' drama of the late 20th century, via the patriotic wartime entertainment of the 1940s, and the foundation of institutions such as the Arts Council and the National Theatre. Most early theatre in England evolved out of church services of the 10th and 11th centuries. It became a truly popular form around 1350 when religious leaders encouraged the staging of mystery cycles (stories from the Bible) and miracle plays (stories of the lives of saints). London is one of the oldest cities on earth and is shrouded in mystery and legend, we will summarise the history behind this marvellous place. London's Legendary Beginnings. Although it is widely known that London was originally built by the Romans, legend dictates that the city was founded on the banks of the River Thames by Brutus of Troy after he defeated Gog Magog; ancient giants who were residents on the island in around 1000 BCE. He ruled for twenty-four years and after his death, the island was split between his three sons; Locrinus, who took over England, Albanactus; who took over Scotland and Cambre; who took over Wales.
