A description of tropes appearing in Jungle Book (1967). The 19th entry into the Disney Animated Canon, released on October 18, 1967. Based on a collection â€” The Jungle Book also received its inevitable sequel titled The Jungle Book 2. In 2013, a stage version was produced; Disney was not directly involved (but might get involved if the show does well enough to get a Broadway run). Advertisement: This film marks a turning point in Disney's history, and not for the better. Walt Disney, who had produced every film in the Disney Animated Canon up to that point, died partway through the making of The Jungle Book in 1966. The Jungle Book is a 1967 American animated film produced by Walt Disney Productions and released to theaters on October 18, 1967. The 19th animated feature in the Disney Animated Canon, the film is noted for being along with The Aristocats (1970) the last film project to be approved by Walt Disney himself, as he died in late 1966, before the film was released. (However, Walt did work on a few projects before his death as well, most notably the majority of Disney's animated films that came out in the 'The Jungle Book' by Rudyard Kipling is a book of delightful short stories and poem-songs about talking animals. Five of the stories follow Mowgli, who as a human toddler was separated from his parents after Shere Khan, the tiger, tried to attack the family in the jungles of India. Instead of ending up as a meal for Shere Khan, Mowgli is raised eventually by two wolves who see him as one of their cubs. Mature children will adore this book, especially if they are able to get an edition with illustrations, but if you are familiar with the Disney movie version only, I must emphasize the unabridged book version has animal deaths, by hunting.
