E. PUBLICATIONS IN CONFERENCE PROCEEDINGS

CITATION FROM INDEPENDENT RESEARCHERS

At least 2000 citations (most of them are for the book “Pattern Recognition” (all versions)).
Publications are typically peer-reviewed, meaning experts on the topic have assessed the article before it is published to make sure it is accurate and of good quality. This can include: Academic books. Research papers published in journals. Research papers waiting to be published. Scholarly articles. Conference papers. Children of all ages, as well as many adults, have had to study remotely. This has allowed researchers to look at education accessibility problems from a new perspective and evaluate how the massive transition to online learning aligns with existing norms and attitudes toward limiting screen time. Nadezhda Knyaginina and Evgenii Puchkov, researchers from the Education Law Laboratory at the HSE Institute of Education talked about their lab’s research on this matter. 25 January 2021. Publications. WHO/C. Pekmez. © Credits. Latest publications. All â†”. 30 January 2021. Global report on health data systems and capacity, 2020. The first global assessment on the status and capacity of health information systems in 133 countries, covering 87% of the global population. It identifies Download. To publish is to make content available to the general public. While specific use of the term may vary among countries, it is usually applied to text, images, or other audio-visual content, including paper (newspapers, magazines, catalogs, etc.). The word publication means the act of publishing, and also refers to any printed copies. "Publication" is a technical term in legal contexts and especially important in copyright legislation. An author of a work generally is the initial owner of the copyright Your publications show your mettle, but how do you show them to the powers that be? Use this guide to see how to list publications on a resume, plus CV publications and research. Tom Gerencer, CPRW. Certified Professional RÃ©sumÃ© Writer, Career Expert. Add the name of the magazine, website, or journal. Stick with publications that show required skills. Need help? See this example: Publications on Resume Example.
