In the past Ladakh gained importance from its strategic location at the crossroads of important trade routes,[14] but as the Chinese authorities closed the borders between Tibet Autonomous Region and Ladakh in the 1960s, international trade dwindled. Since 1974, the Government of India has successfully encouraged tourism in Ladakh. A vehicle on the Himalaya Highway 3. There are about 1,800 km (1,100 mi) of roads in Ladakh of which 800 km (500 mi) are surfaced.[91] The majority of roads in Ladakh are looked after by the Border Roads Organisation. The third road to Ladakh is the Nimmul-Darcha road, which is under construction.[92] The Himalaya Highway 3.
