The collection of papers in this book comprises the proceedings of the 23rd CIRP Design Conference held between March 11th and March 13th 2013 at the Ruhr-Universität Bochum in Germany. The event was organized in cooperation with the German Academic Society for Product Development – WiGeP. The focus of the conference was on Smart Product Engineering, covering two major aspects of modern product creation: the development of intelligent (digital) products as well as the new (digital) approach of engineering, explicitly taking into account consistent systems integration. Computer Aided Engineering Design Download Book (PDF, 5762 KB) Department of Mechanical Engineering, Indian Institute Introduction to finite elements engineering. 473 Pages·2011·8.29 MB·19,042 Downloads. Advances in civil, architectural, structural and constructional engineering: proceedings of the international conference on civil, architectural, structural and constructional engineering, Dong-A University, Busan, South Korea, 21-23 August, 2015. 422 Pages·2016·144.03 MB·36,700 Downloads·New! The ICCASCE 2015 conference covers a wide range of fields in science and engineering innovation An Introduction to Excel for Civil Engineers: From engineering theory to Excel practice. 387 Pages·2016·28.64 MB·30,974 Downloads·New! Smart Product Engineering book. Read reviews from world's largest community for readers. The collection of papers in this book comprises the proceedings of the 23rd CIRP Design Conference held between March 11th and March 13th 2013 at the Ruhr-Universität Bochum in Germany.
