The psychology of social situations, selected readings. 1. Social psychology—Addresses, essays, lectures 2. Human behavior—Addresses, essays, lectures I. Furnham, Adrian II. Argyle, Michael 302 HM251 80-41189 ISBN 0-08-024319-3 (Hardcover) ISBN 0-08-023719-3 (Flexicover). It became apparent to us that there was a need for a book of readings, which included a comprehensive bibliography, and that would be of use to a wide range of social scientists interested in the psychology of social situations from a broad perspective. This book is a response to that perceived need. Start by marking "The Psychology Of Social Situations: Selected Readings" as Want to Read: Want to Read saving… Want to Read. Currently Reading. Read. Buy the selected items together. This item: The Person and the Situation (Perspectives of Social Psychology) by Lee Ross Paperback $18.35. In Stock. Ships from and sold by Amazon.com. Ross and Nisbett do a great job explaining the background of social psychology research. I've found myself going back to it several times already to check concepts and can definitely see myself doing this over my academic career. What is important is that the book has the potential to change how you view the way people act in certain situations. The book's thesis is that humans tend to describe behavior in terms of personality traits while the research clearly shows that the situation is a more accurate explanation for the behavior.
