A real voodoo doll can be used in white magic spells for love, luck, protection; or black magic spells such as to control others, revenge and attacks on someone you hate. You can also make a voodoo doll of yourself. Learn more. In this article, we will learn how to make a voodoo doll that actually works. Voodoo dolls are an important part of many religious traditions around the world and are still widely used in different religious ceremonies. The term Voodoo doll is commonly employed to describe an effigy into which pins are inserted. Although it comes in various different forms, such practices are found in the magical traditions of many cultures across the world. Although the use of the term Voodoo implies that the practice has links to either the religion of Haitian Vodou or Louisiana Voodoo, it does not have a prominent place in either. In this book, Voodoo doll is used as a catch-all term to describe dolls used in magic and ritual throughout time and across cultures. Any old-time rootworker, however, will use the preferred terms conjure dolls, doll babies, dollies, and baby dolls. In anthropology, one will find the terms fetich, fetish, poppet, puppet, and effigy. Still, the term Voodoo doll has reached academia as a means of denoting a doll that is used for
