But there are things in life more precious than life itself. There are times when one must risk life for the sake of the lives of others. And when the few risk their own lives for the sake of the many, then they, too, stand the chance of saving themselves. Sixth, there is a pattern to Jewish history. Prime Minister Begin was a realist, warrior, revolutionary, and statesman. A great thinker, dead serious, eloquent, and true to his sober principles. He learned, taught and accomplished much on this plane. Menachem Begin, Zionist leader who was prime minister of Israel from 1977 to 1983. Begin was the coreipient, with Egyptian Pres. Anwar el-Sadat, of the 1978 Nobel Prize for Peace for their achievement of a peace treaty between Israel and Egypt that was formally signed in 1979. Begin received a law. Thank you for your feedback.
