The role of social capital in regional development is a multifaceted topic which is studied all over the world using various methods and across numerous disciplines. It has long been evident that social capital is important for regional development, however, it is less clear how this works in practice. Do all types of social capital have the same effects and are different kinds of regions impacted in the same way? This book is the first to offer an overview of this rapidly expanding field of research and to thoroughly analyse the complex issue of social capital and regional development. The role of social capital in regional development is... the book documents the pervasive role of social capital in accelerating poverty alleviation and rural development, facilitating the provision of goods and services, and easing political transition and recovery from civil conflicts. Reviews. Review of the hardback: "Development and social capital are... correctly given an empirical assessment that allows the reader to gain an accurate understanding of the issues."
